WORD2010: Assign Shortcut code to macro's

WORD2010: Assign Shortcut code to macro's in Word 2010

1. 'File, Options, Customize Ribbon'
2. Somewhere at the bottom, a little bit left of the middle:
   Keyboard shortcuts: 'Customize'
3. Select categorie 'Macros' in the left list
4. Select the macro in the right list
5. And the rest is obvious I guess.
